

RITE NOW @ ROP

Lake Granbury Academy has been celebrating Hispanic culture for the past six weeks in honor of Hispanic Heritage Month (September 15th through October 15th). With the instruction from and support of Ms. Thompson, Social Studies teacher at LGA, students completed projects on famous Hispanic persons, research and presentations on a Hispanic country of their choosing, constructing cultural elements pertaining to the Dia de la Muerta, and many other activities that have expanded student knowledge of Hispanic heritage and culture. The artwork, student presentations, and decorations have brought high energy across the campus at Lake Granbury Academy.
